A Few Facts

- A person may not look at your CV initially.
- Large Recruitment Sites and Businesses may use Applicant Track System (ATS) Software.
- If your CV cannot pass ATS selection, you may be out of the race.
- Evidence suggest, a person takes (on average) 7 seconds to decide if you should go to the next phase of selection.
- Your CV needs an immediate impact.

Common CV Errors

- No more than 2 pages, no but's.
- Spelling mistakes and Grammatical errors.
- Poor formatting, structure and key areas missing.
- Incorrect use of words.
- Failing to identify measurable achievements.
- Incorrect tense.
- Not enough action verbs.
- Duplication, missing the opportunity to pack a punch.
